A (continuing) We took the ferry from Perth Amboy to Totenville and when we were waiting for the Brooklyn ferry--

BY MR. PALZER:

Q You took the ferry to Brooklyn?

A It is the South Brooklyn ferry and while we were waiting for the ferry boat to come in we sat in our automobile and ate our lunch.

Q Who was in the car with you?

A Mr. William Carpender and Mrs. Stevens.

Q William Carpender Sr. of Plainfield?

A Yes; they were in the car with us.

Q Did you make any arrangements Monday morning about the funeral?

A None whatever; I had nothing whatever to do with the arrangements for the funeral or anything.

Q Then you went right to the cemetery?

A We went to the cemetery.

Q At the funeral did you sit alongside of Mrs. Hall?

A I stood very close to her but I won't say alongside.

MR. STUDER: Stood, what do you mean, at the interment?

Q No, I mean at the funeral, were you sitting in the church alongside of Mrs. Hall?
